Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Prince William County 9-1-1 Call Handling Equipment project in fiscal year 2024. The entity to receive funding for this project is Prince William County, Virginia, located at 1 County Complex Ct, Prince William, VA 22192.

The funding would be used for replacing the County's 9-1-1 call-handling equipment and aligning the equipment with the modern infrastructure to which it is connected to better enable law enforcement to respond quickly and effectively.

The funding is an appropriate use of taxpayer funds because it will modernize the 9-1-1 call-handling equipment to be able to utilize the system's next-generation 9-1-1 capabilities and improve public safety.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jennifer Wexton
Member of Congress
